

DADDY PETE'S PROFESSIONAL LANDSCAPE MIX

Daddy Pete's Professional Landscape Mix is great for building and maintaining a professional landscape or garden. This mix consists of a variety of aged bark and Daddy Pete's Composted Cow Manure.

The aged bark provides an excellent mulch for your landscape; while the composted cow manure helps to feed your plants over time, thus promoting plant health.

INGREDIENTS

- AGED BARK
- DADDY PETE'S COMPOSTED COW MANURE
